Director  
Office of External Affairs  
Central Intelligence Agency

Dear

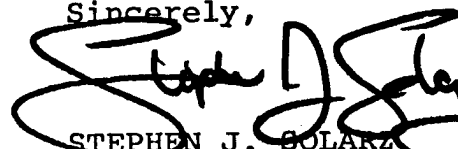

I would like to request that CIA provide a classified briefing on the narcotics situation in East and South Asia to the Subcommittee on Asian and Pacific Affairs. The briefing would be held prior to an open hearing on this subject with representatives from the Department of State and AID, in Room 2172 Rayburn House Office Building. The hearing is scheduled for 10:00 am; therefore I would like the briefing to begin at 9:15 am.

I would like the briefing to cover the following topics:

1. CIA's understanding of its mandate in the narcotics field.
2. The relative priority assigned by CIA to intelligence collection in the narcotics area.
3. Latest trends and figures on heroin production in Thailand, Burma, and Pakistan, and its value to indigenous growers.
4. Latest information on drug trafficking activities, routes, techniques, etc.
5. Assessment of indigenous law enforcement capabilities, including corruption of local officials, social/economic factors in poppy cultivation areas, etc.

I would appreciate your submitting written testimony covering the subjects outlined above. At the briefing, please summarize your major points in fifteen minutes so there will be adequate time for questions.

Sincerely,

STEPHEN J. SOLARZ  
Chairman

Subcommittee on Asian & Pacific
